Description

Supply and Delivery of Building Materials - Multi-Lot

Nottingham City Council is establishing a multi-lot Framework Agreement for the supply and delivery of building materials required to maintain its housing stock. The appointed suppliers must provide high-quality materials in accordance with the agreed pricing schedule and specifications.

Scope of Services:

Supply and delivery of building materials, including but not limited to: aggregates, cement, bricks, timber, insulation, plumbing, and electrical components.

Mandatory services include:

Timely delivery to main stores and sites

Merchant counter service

Quality assurance

Compliance with UK building regulations

Framework Details:

The Framework Agreement will cover supply and delivery across Nottingham City Council boundaries.

Up to three suppliers per Lot will be appointed, based on tender evaluation rankings.

Tenderers must offer full service coverage within each Lot, either directly or through a consortium. Partial offers will not be accepted.
