2. Procedure

2.1. Procedure

Title: Procurement of electricity

Description: Stavanger and Sandnes municipalities would like, via this competition, to enter into a framework agreement with one - 1 - and the same tenderer for the procurement and delivery of electricity with the accompanying services. An independent manager shall be procured, who on behalf of the Contracting Authorities shall carry out: Physical trade of electricity Administrative services (reporting, invoice handling and web based follow-up system) Training Management of the municipality's free power management of the flexibility market (option).

Procedure identifier: 5c809cdb-d624-45c2-b122-9a258a23e0af

Internal identifier: 2025/292273

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: Both municipalities need a power manager and a price model that allows only the purchase of electricity to spot. Financial trade is not included in the assignment to the contracting authorities. Both municipalities are within price area 2. The aim of the procurement is to ensure the Contracting Authorities have good management of power procurements, invoicing and consumption as rationally and cost efficiently as possible. Both Stavanger municipality and Sandnes municipality shall have their own portfolios in the tenderer's system, so that physical trade to the municipalities is kept separate power sales and management from other customers and any self-trade.
