Notice Details

Notice Type Invitation for Bids
Bidding Type Other
Notice No. 128214804
Deadline 2026-02-20

Description

Description: The object of the future acquisition is the data room, use and capacity services of the National Gallery, as well as the other services described below:

- capacity services including virtual server and storage capacity as well as related backup services, capacity management and monitoring services, and data center services that support capacity services.
- service implementation project and the migration of the virtual servers in the current data center of the National Gallery
- services are complemented by expert services

The goal is that the procurement notice will be published in March-April 2026.

IN GENERAL

Please note that this is a market survey notice (hereinafter referred to as the notice), and this notice does not ask for requests for tenders, but rather the procurement unit decides to launch the actual tender separately. All information presented in this announcement is preliminary and indicative.

REGISTRATION

Companies interested in the acquisition in question are asked to register for the market dialogue no later than 20 February 2026 using the Forms form:

<https://forms.office.com/e/UveN5eu26e>

The procurement unit does not answer any questions that may be asked at this stage.

MARKET DIALOGUE

The notice is accompanied by an invitation to a market dialogue, where companies interested in procurement have the opportunity to hold a technical dialogue regarding the procurement with the procurement unit. The purpose of the market dialogue is to have a general discussion about the

object of the acquisition and its determination. The market dialogue is carried out by sending the tender's draft material for comments, on which it is possible to give comments in writing. At the moment, no company-specific meetings are planned.

Participating or not participating in the market dialogue does not prevent participation in a possible procurement procedure. Participants in the market dialogue are not compensated for their participation.
