5.1.9. Selection criteria

Sources of selection criteria: European Single Procurement Document (ESPD), Notice

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements • Norwegian companies: Company Registration Certificate. • Foreign companies: Verification that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Criterion: Financial ratio

Description of selection criterion: For financial key figures stated in the notice or in the procurement documents, the tenderer declares that the actual value(s) of the requested key figures are as follows: Minimum qualification requirements Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. The rating shall be four or better. The contracting authority will itself obtain a credit rating from www.experian.no If the company is recently established, financial solidity can be documented in another way.

Criterion: Certificates by independent bodies about quality assurance standards

Description of selection criterion: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements Tenderers shall document

or give a detailed description of their quality assurance system. Optionally ISO 9001 certification, or another third party quality standard, can be enclosed.

Criterion: Certificates by independent bodies about environmental management systems or standards

Description of selection criterion: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements Description of the company's routines and systems for environmental management. If routines are described in the company's quality or environment management system in accordance with ISO 14001, Miljøfyrtårn or equivalent third-party verified systems, a valid certificate shall be presented.
