

Jordan Türkiye Fertilizer Company

Announcement for Tender No. JTFC_ITB_001 JTFC 300,000 MTPY P₂O₅ Project

Jordan Türkiye Fertilizer Company – JTFC (a JV between JPMC and TRANSPET) is in the process of building a greenfield industrial complex in Eshidiya, Jordan that consists of the following plants:

- Phosphoric Acid Plant (PAP) with 1,000 MTPD P₂O₅ capacity
- Sulphuric Acid Plant (SAP) with 3,200 MTPD H₂SO₄ capacity
- Balance of Plant (BOP)
- Utilities, infrastructure, and associated facilities

Hereby, JTFC is seeking for appointment of PMC contractor that meets the following requirements:

- At least ten (10) years of proven experience in industrial project management, engineering management or Employer's Representative.
- Participated as PMC/Employer's Representative in minimum two (2) comparable reference plants in phosphoric acid, Sulphuric acid or fertilizer complex process plants.
- Completed at least one (1) benchmark reference project within the last five (5) years successfully.

The selected PMC Contractor shall act as Employer's Representative and will be responsible for supporting the project through all phases, including project scope definition, EPC tendering, engineering, procurement, construction, commissioning and start-up.

Interested Bidders to contact **Directorate of Corporate Performance & Strategic Planning** at e-mail (Tenders@JPMC.COM.JO) to obtain a copy of tender documents against a non-refundable fee in the amount of Six Thousand Three Hundred and Fifty USD (6,350 USD) deposited into JTFC bank account which will be shared accordingly. However, Bidders shall provide JTFC with a valid professional license and commercial registration certificate.

For further information, please don't hesitate to contact us at our e-mail mentioned above.

The deadline for acquiring tender documents will be at 12:00 pm Jordan local time of **Thursday 11th of June 2026**.

The deadline for submitting bids will be at 12:00 pm Jordan local time of **Thursday 16th of July 2026**.

Eng. Abdel Wahab Al Rowwad
JPMC Chief Executive Officer
